

the written objection to the DOL OIG, which will have 14 calendar days from that date to respond. Any response from DOL OIG will be forwarded to the provider, which will have 14 calendar days from that date to reply.

(f) The Director of OWCP will consider the recommended decision, the written record and any response or reply received and will then issue a written, final decision either upholding or reversing the exclusion.

(g) If no written statement of objection is filed within the allotted period of time, the Director of OWCP will issue a written, final decision accepting the recommendation of the administrative law judge.

(h) The decision of the Director of OWCP shall be final with respect to the provider's participation in the program, and shall not be subject to further review by any court or agency.

§ 10.825 What are the effects of exclusion?

(a) OWCP may give notice of the exclusion of a physician, hospital or provider of medical services or supplies:

- (1) All OWCP district offices;
- (2) All Federal employers;
- (3) The CMS;

(4) The State or local authority responsible for licensing or certifying the excluded party.

(b) Notwithstanding any exclusion of a physician, hospital, or provider of medical services or supplies under this subpart, OWCP shall not refuse an employee reimbursement for any otherwise reimbursable medical treatment, service or supply if:

(1) Such treatment, service or supply was rendered in an emergency by an excluded physician; or

(2) The employee could not reasonably have been expected to have known of such exclusion.

(c) An employee who is notified that his or her attending physician has been excluded shall have a new right to select a qualified physician.

§ 10.826 How can an excluded provider be reinstated?

(a) If a physician, hospital, or provider of medical services or supplies has been automatically excluded pursuant to § 10.816, the provider excluded

will automatically be reinstated upon notice to OWCP that the conviction or exclusion which formed the basis of the automatic exclusion has been reversed or withdrawn. However, an automatic reinstatement shall not preclude OWCP from instituting exclusion proceedings based upon the underlying facts of the matter.

(b) A physician, hospital, or provider of medical services or supplies excluded from participation as a result of an order issued pursuant to this subpart may apply for reinstatement one year after the entry of the order of exclusion, unless the order expressly provides for a shorter period. An application for reinstatement shall be addressed to the Director for Federal Employees' Compensation, and shall contain a concise statement of the basis for the application. The application should be accompanied by supporting documents and affidavits.

(c) A request for reinstatement may be accompanied by a request for an oral presentation. Oral presentations will be allowed only in unusual circumstances where it will materially aid the decision process.

(d) The Director of OWCP shall order reinstatement only in instances where such reinstatement is clearly consistent with the goal of this subpart to protect the FECA program against fraud and abuse. To satisfy this requirement the provider must provide reasonable assurances that the basis for the exclusion will not be repeated.

Subpart J—Death Gratuity

§ 10.900 What is the death gratuity under this subpart?

(a) The death gratuity authorized by 5 U.S.C. 8102a and payable pursuant to the provisions of this subpart is a payment to a claimant who is an eligible survivor (as defined in §§ 10.906 and 10.907) or a designated alternate beneficiary (as defined in §§ 10.908 and 10.909) of an employee who dies of injuries incurred in connection with the employee's service with an Armed Force in a contingency operation. This payment was authorized by section 1105 of Public Law 110-181 (2008). For the purposes of this subchapter, the term "Armed

§ 10.901

Force” means the Army, Navy, Air Force, Marine Corps, and Coast Guard.

(b) This death gratuity payment is a FECA benefit, as defined by § 10.5(a) of this part. All the provisions and definitions in this part apply to claims for payment under this subpart unless otherwise specified.

§ 10.901 Which employees are covered under this subpart?

For purposes of this subpart, the term “employee” means all employees defined in 5 U.S.C. 8101 and § 10.5 of this part and all non-appropriated fund instrumentality employees as defined in 10 U.S.C. 1587(a)(1).

§ 10.902 Does every employee’s death due to injuries incurred in connection with his or her service with an Armed Force in a contingency operation qualify for the death gratuity?

Yes. All such deaths that occur on or after January 28, 2008 (the date of enactment of Public Law 110-181 (2008)) qualify for the death gratuity administered by this subpart.

§ 10.903 Is the death gratuity payment applicable retroactively?

An employee’s death qualifies for the death gratuity if the employee died on or after October 7, 2001, and before January 28, 2008, if the death was a result of injuries incurred in connection with the employee’s service with an Armed Force in the theater of operations of Operation Enduring Freedom or Operation Iraqi Freedom.

§ 10.904 Does a death as a result of occupational disease qualify for payment of the death gratuity?

Yes—throughout this subpart, the word “injury” is defined as it is in 5 U.S.C. 8101(5), which includes a disease proximately caused by employment. If an employee’s death results from an occupational disease incurred in connection with the employee’s service in a contingency operation, the death qualifies for payment of the death gratuity under this subpart.

20 CFR Ch. I (4-1-12 Edition)

§ 10.905 If an employee incurs a covered injury in connection with his or her service with an Armed Force in a contingency operation but does not die of the injury until years later, does the death qualify for payment of the death gratuity?

Yes—as long as the employee’s death is a result of injuries incurred in connection with the employee’s service with an Armed Force in a contingency operation, the death qualifies for the death gratuity of this subpart regardless of how long after the injury the employee’s death occurs.

§ 10.906 What special statutory definitions apply to survivors under this subpart?

For the purposes of paying the death gratuity to eligible survivors under this subpart, OWCP will use the following definitions:

(a) “Surviving spouse” means the person who was legally married to the deceased employee at the time of his or her death.

(b) “Children” means, without regard to age or marital status, the deceased employee’s natural children and adopted children. It also includes any stepchildren who were a part of the decedent’s household at the time of death.

(1) A stepchild will be considered part of the decedent’s household if the decedent and the stepchild share the same principal place of abode in the year prior to the decedent’s death. The decedent and stepchild will be considered as part of the same household notwithstanding temporary absences due to special circumstances such as illness, education, business travel, vacation travel, military service, or a written custody agreement under which the stepchild is absent from the employee’s household for less than 180 days of the year.

(2) A natural child who is an illegitimate child of a male decedent is included in the definition of “children” under this subpart if:

(i) The child has been acknowledged in writing signed by the decedent;

(ii) The child has been judicially determined, before the decedent’s death, to be his child;

(iii) The child has been otherwise proved, by evidence satisfactory to the
